The Student Is...

The most important person on the campus. Without them there would be no need for the institution.

Not a cold statistic, but a flesh and blood human being with feelings and emotions like our own.

Not someone to be tolerated so we can do our thing. They are our thing.

Not an interruption of our work, but the purpose of it.

Not asking for a favor when they ask for assistance. They do us a favor by giving us an opportunity to do so.
